

## Education

Herb and Judy created the Paige Family Foundation with the strong belief that, **“The basis of all human improvement begins with education.”** This ideal drives our education mission today.

**In 2022, the Foundation donated \$208,000 to support students.**

The Foundation grants K-12 youth from marginalized communities' access to high-quality education. The programs we fund provide opportunities to break the cycle of poverty through social emotional education, summer programs, mentoring and tuition towards college.

The Paige Foundation also provides need-based scholarships for college. Our scholarships enable students to graduate from 2-year and 4-year institutions throughout Colorado. Last year we provided college scholarships to more than 100 students, helping them to achieve their educational dreams!

## 2022 Impact Statement

### **The Paige Foundation improves lives!**

The Foundation awards scholarships to students from marginalized communities, provides support for shelter animals, and enriches the lives of low-income older adults.

The Foundation has invested over \$2.585 million dollars into the community since its formation in 2007. Since 2021, our fundraising consulting helped raise an additional \$2.1 million for our nonprofit partners through increased donations from the community.

### *Proud*

*The Paige Foundation has had a \$5.035 million dollar impact on our nonprofit community since 2007.*

### **Help Us Expand Our Impact**

The Paige Foundation can accept donations from individuals and businesses or help you create a Donor Advised Fund, volunteer or introduce you to the charities we support. Please contact Sunny Justice, Executive Director and Chief Development Officer, 720.563.1516. To learn more about the foundation please visit [www.paigefdn.org](http://www.paigefdn.org).

PAIGE FOUNDATION

*Enriching Lives - Engaging Donors*

### **Mission Statement:**

**The Paige Foundation supports education, animals, and older adults through our endowment, pro-bono fundraising consulting and donor engagement.**

### **Strategic Priority**

*The Paige Foundation directly impacts our nonprofit community partners through grants. In addition, the Paige Foundation has expanded our relationship with nonprofit partners through understanding their objectives and providing pro-bono fundraising consulting to help them achieve their strategic goals.*

## Animal Welfare

Above: Sylvia hugs Ted, the dog. Ted was a gift to Sylvia from her children to emotionally support her as she battles cancer. Thanks to San Diego Humane Society, Sylvia was able to receive medical care for Ted's broken leg.

**In 2022, the Foundation donated \$30,000 to support animals.**

Our grant to San Diego Humane Society's comprehensive Community Support Services program helps low-income individuals by providing essential resources including: pet food, veterinary assistance, and community outreach. The program bridges the gap between human services and animal welfare by keeping pets in loving homes with their owners.

## Older Adults

Photograph courtesy of TRU Community Care

**In 2022, the Foundation donated \$47,450 to support low-income older adults. This funding is helping them gain access to healthcare, companionship, and transportation.**

The Paige Foundation provided \$20,000 to TRU Community Care in Colorado and \$22,450 to St. Paul's Program of All-Inclusive Care for the Elderly (P.A.C.E.) in California to support critical dementia training for staff. Both programs serve the social, medical, emotional, and psychological needs of the Medicare/Medicaid qualified population. The Paige Foundation provided VIA Mobility Services a \$5,000 grant to support transportation.

All of the older adult programs that the Paige Foundation supports work to enable adults of modest means to age safely in their own homes.

## Pro-bono Fundraising Consulting

**Since 2021, our fundraising consulting has helped raise \$2.1 million for our nonprofit partners.** We leverage our expertise to strengthen our nonprofit partners' fundraising and help them have a more robust impact on the community through our personalized one-on-one consulting and fundraising classes.

*"A large part of our fundraising success on Colorado Gives Day is attributed to the Paige Foundation's review, advice, and engagement. We doubled our day from 2021 and again, we're very grateful for the help and engagement."*

*Brian Stamer, Chief Operating Officer, Colorado Uplift*

## Nonprofit Champion

**Denver Scholarship Foundation** makes college possible by collaborating with Denver Public Schools

high school students, families, and partners statewide to increase access and completion of post-high school learning and expand generational exposure to career and entrepreneurial opportunities.
